

Carraro Group**CAPITAL INCREASE: ARTICLES OF ASSOCIATION UPDATED**

Campodarsego (Padua), 13 June 2017 – Please be informed that the text of the Articles of Association, updated as a result of execution of the capital increase resolved by the shareholders' meeting of 27 June 2016, is available on the website www.carraro.it and on the “emarket” authorised storage mechanism (www.emarketstorage.com).

Carraro is an international group, leader in transmission systems for off-highway vehicles and specialised tractors, with consolidated turnover in 2016 of 593.7 million Euros.

The Group's activities are divided into two Business Areas:

– **Drive systems**

Through the subsidiaries Carraro Drive Tech and SIAP, the Group designs, manufactures and sells transmission systems (axles, transmissions and drives) mainly for agricultural and construction equipment, and also markets a wide range of gears for very diverse sectors, from the automotive industry to material handling, agricultural applications and construction equipment.

– **Tractors**

Through Carraro Agritalia, the Group designs and manufactures special tractors (for vineyards and orchards from 60 to 100 hp) for third-party brands, namely John Deere, Massey Ferguson and Claas, as well as a specialist own-brand range; Agritalia also provides engineering services for the design of innovative tractor ranges.

The Group's holding company, Carraro SpA, has been listed on the Italian Stock Exchange since 1995 (CARR.MI) and has its headquarters in Campodarsego (Padua). As at 31.03.2017, the Group has 3,042 employees – of which 1,345 based in Italy – and manufacturing facilities in Italy (4), India (2), China, Argentina, and Brazil.
