

Environment, Occupational Health & Safety Policy

We at Carraro India are engaged in manufacturing of Transmissions, Axles, Gears & Shafts.

We strongly believe that, it is the duty of everyone working in Carraro India to implement this policy in his area of activities.

We commit ourselves to :

- Comply with all applicable Indian EHS legislations and other requirements as reasonably as practicable.
- Continuously reduce environmental pollution due to our activities, products and services.
- Continual Improvement of our EHS management systems.
- Focus on training and development of people for EHS activities.

We will strive to :

- Conserve resources such as electricity, water, fuels, oils, compressed air and wood.
- Minimize hazardous situations through strong EHS processes and their effective implementation.
- Minimize generation and adverse impact of hazardous waste.
